YEARS OF EXCELLENCE

“ I.T.S, known for its academic excellence for more than two decades, grooms ethical global leaders and entrepreneurs for today’s dynamic corporate scenario. The vision of I.T.S’ leadership team has played a vital role in shaping young minds in a distinctive direction. These constant endeavours have been recognized by society at large from time to time with various awards & accolades. ”

OUR VISION

Creating a Thinking
Professional Order

OUR MISSION

To make incessant
endeavour to create learning
processes in response
to changing managerial
paradigms

OUR OBJECTIVE

- Generating new learning techniques
- Improving the teaching process
- Expanding the information & technology capacity
- Strengthening the industry’s interactive network
- Facilitating professional practitioners in searching their potential
- Inculcating team spirit among the learners

QUALITY POLICY OF INSTITUTE

I.T.S is focussed to become a fountain head among academic institutions in India. The Institute is committed to imparting professional education of excellent quality for all- round development of the students seeking career in Management as well as in IT and to develop capabilities and skills of working executives through EDPs and MDPs.

Each faculty and staff member shall be well-trained and motivated so that he/she can understand the desired functions and shall be empowered to carry them out effectively. Involvement of Students, Parents, Industry and Society at large is encouraged for continual improvement in every sphere of the Institute’s activities.

CHAIRMAN'S MESSAGE

Dr. R.P. Chadha (Chairman)
I.T.S - The Education Group

Education is the only relevant tool to develop the economy as well as the society globally. An educational degree is not sufficient enough to compete in today's challenging and demanding corporate world. Our aim at I.T.S institute is to equip and develop every student as a multifaceted person, confident to exploit the challenges and turn them into opportunities.

Our endeavour is to develop academic awareness and raise the level of quality professional education in various disciplines. To achieve our mission we have credentials of rich experience, a dedicated team of faculty members and state of art infrastructure. We as educators lit the light of change and groom our young achievers into ethical and valued leaders of tomorrow. The only constant thing in life is change and every year we welcome young minds, empower them to uncover their hidden talent and to bring out the best lying within them. In order to cultivate a wide exposure for practical learning and entrepreneurial spirit, I.T.S regularly invites entrepreneurs, business leaders and global managers to interact with and guide our students with their experience.

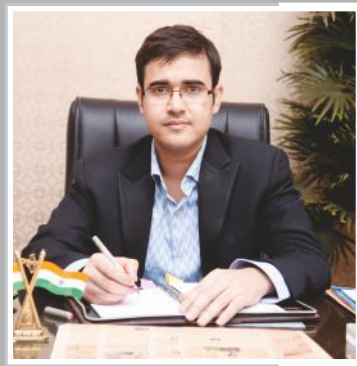

The journey of success has to be travelled with farsightedness, strategy and dedication and its destination is excellence. We welcome you to join our I.T.S Family to embark on a journey of success through education and excellence.

Dr. R.P. Chadha, Chairman

Former Honourable President of India
Late Dr. APJ Abdul Kalam

Dr. R.P. Chadha, Chairman
I.T.S - The Education Group
receiving Jewel of U.P.
and Uttarakhand Award

VICE CHAIRMAN'S MESSAGE

Shri Arpit Chadha (Vice Chairman)
I.T.S - The Education Group

Education is one of the prime pillars in a society's development. The role of education becomes even more profound when it is for the bright minds that are going to lead and manage the corporate world. With this thought in mind, I.T.S strives to produce the best talent in the field of professional education by providing a conducive & enriching environment and resources fully dedicated for the mission.

In today's era of rapid expansion, there is an enormous ever-growing worldwide demand for professionally trained Graduates who can successfully assume the role of Future Leaders. India's young population, with requisite training & skill-sets offers a huge pool that the world is looking forward to tap to fill this demand. At I.T.S institute we work with Industry experts and corporate leaders to recognize the need of Industry for creating best future leaders to lead the corporate world.

To enable a holistic learning environment for students, besides using state-of-art teaching tools and techniques, the Institute emphasizes and facilitates various extra-curricular activities round the year. The activities range from industry visits, workshops, guest talks by industry experts, academic club activities, annual management and cultural events, current affair discussions, entrepreneurial ideas exploration and development activities, etc.

Our intention is to provide you the tools you need to fulfil your dreams and succeed in your professional endeavours.

Wish you Good Luck and All the Best!

DIRECTOR-UG'S MESSAGE

Every day, extraordinary achievements push the boundaries of knowledge and research. The apparent focus in this period of globalisation is on educational quality. There is no one-size-fits-all criterion for measuring quality. In every aspect of its operations, a good educational institution seeks to maintain and improve quality.

The Institute of Technology and Science (I.T.S) is one of the most prestigious college in North India, with a long history of making important contributions to education. We have not only maintained strong educational standards, but we have also raised the bar by implementing quality policies at every level.

I.T.S continues to provide students with the fundamentals of current knowledge and high values as it works relentlessly to fulfil its purpose of delivering the best learning, teaching, and research possibilities to students and academicians. Our alumni have excelled in every field of endeavour, and in addition to being good citizens, they hold important positions around the world.

I.T.S. is dedicated to provide students with a broad range of information as well as practical experience. The culture at the Institute not only facilitates learning from academicians and eminent industry captains but peer learning as well which is apt by a scientifically designed curriculum, through continuous industry interaction. The focus is on developing and honing the overall personality of students so that they are well equipped to handle the complexity and rigour of business world.

I encourage all students to join us in creating I.T.S a place where you can learn and flourish.

Prof. Nancy Sharma
Vice Principal - UG Campus
I.T.S, Mohan Nagar, Ghaziabad

VICE PRINCIPAL- UG'S MESSAGE

The Institute of Technology and Science (I.T.S) was founded by a group of service oriented individuals with the purpose of enhancing all aspects of education and culture in order to achieve and fulfil our stated mission. The mainspring of ITS college is the students whose holistic development and character building is the primary objective of the institution. This is achieved by focusing on the needs of the individual student and providing the best socio-ecological environment according to his/her specific need. The faculty are encouraged to participate in induction and development programs to improve their teaching and mentoring skills. The college endeavours to empower students from all walks of life by using different pedagogical tools, mentor-mentee programs, fieldwork, internship programs, social entrepreneurship skills, and placement cell.

The college has a state of art infrastructure to meet the pedagogic and research needs of its students and faculty members. These include a well-stocked Library and links to various e-resources. The IT department have well-equipped upgraded computer labs to carry out both teaching and research activities. The college works for the overall development of the personality along with the academic activities. Our motto is to nurture today's youth to face tomorrow's challenges. Our college, along with its rigorous academic standards it maintains a vibrant tradition of co-curricular activities. Our students complement their academic lives with active engagement in the fields of sports, theatre, debate, music, photography and fine arts.

I am fortunate to be at the position to nurture young talent and make the journey of the students joining the college a memorable one. Together, let us share our ideas, dreams and vision to make the learning process an even more exciting experience. I hope all of you will spend enriching and the most memorable years of your life in our college and make bonds lasting a lifetime. I wish all students the best of luck in their future endeavours to achieve greater achievement and higher educational and career heights.

CAMPUS LIFE @ I.T.S

Campus is one place in student's life where he/she gets full freedom to prepare his own path to success and lead a much confident life ahead. Campus life is beyond the infrastructural and academic training programs. It enriches students with a once in a life time opportunity to live through the experiences that otherwise are earned very hard. We, at I.T.S, strive to provide our students with plethora of events related to academics, sports, cultural, entertainment or those related to social causes.

TEACHING AND LEARNING

Modern Society demands high quality teaching and learning from teachers. Teachers have to possess a great deal of knowledge and skills with regard to both teaching and assessment practices in order to meet those demands and standards of quality education. Learning-centered pedagogy is adopted at I.T.S in order to provide intellectual engagement, connection to the outer world, supportive classroom environment and recognition of difference. The pedagogy involves: Case studies, Class Presentations, Industry Visits, Guest Lectures by Industry Experts, Class Activities like Role Play, Situation Analysis, Problem Solving Session, Quiz, Group Discussions, etc.

SEMINARS AND WORKSHOPS

At I.T.S, we invite eminent personalities who have achieved success in their respective field to take seminars and workshops for the students to help them understand recent advancements in technology and market. Seminars and workshops are capable of keeping the students updated with the technology and market & help students to learn in an effective learning environment and improve teaching-learning process.

TUTORIALS AND DISCUSSIONS

The tutorials with small class sizes, take up applications oriented issues, solving problems, case studies and discussion on issues concerning various pertaining topics. Tutorials are also used as a platform for intensive discussions on course work which inculcates analytical thinking and problem solving attitude amongst students.

CAREER COUNSELLING

Career Counselling empowers students to solve their confusion related to career and helps to accomplish the long term goals. At I.T.S, career counselling program enables students to have the right perspective of their abilities that helps them choose the right job for themselves. We provide continuous Career Counselling and support to help students to adapt the challenges that they face in their career by planning and covering their interests and their skills.

Through this program, we encourage individuals to understand their role and the obligations they have towards their career path.

FOREIGN LANGUAGE

Businesses and individuals are more linked than ever before. The insightful phrase "**Vasudev Kutumbhakam**" is a reality today. Business people do transactions across many geographies. Multilingual abilities have become an essential part of professional life.

Students who can converse in a foreign language get preference to work in international organizations. Learning a foreign language also improves students' cognitive abilities. Understanding many cultures and languages has become more important than ever before. I.T.S offers French and German as optional foreign language courses for our students. The foreign language sessions are regularly held in campus. We also have a cutting-edge audio-visual language lab facility. Students make use of the lab facility to enhance their learning experience.

PERSONALITY DEVELOPMENT PROGRAM

Our personality development training program is a comprehensive programme which helps our students in improving confidence levels and creating a good and lasting impression on others. This unique program aims to prepare students for better personal and professional relationships as well as improved productivity and growth. Apart from our communication skills, we focus on to improve aptitude, attitude, time management skills, team management skills, decision making skills, etc. Personality development programs give the students a deeper insights into their personalities and open the doors for making appropriate changes to make them ready for the corporate life and opportunities.

We at I.T.S, ensure that students start working on their aspirations and expectations from the beginning of the course so that they could start their professional life to head towards a bright future.

E-CELL - LAKSHYA

The E-cell has been constituted with the objective of enhancing the technical knowledge to ideate, innovate, enhance entrepreneurial skills and nurture the managerial skills necessary to run an enterprise successfully. The E-cell provides access to resources such as incubation centres, co-working spaces, funding sources, and mentor-ship programs. These resources help entrepreneurs to develop their ideas and turn them into successful businesses.

INSTITUTION'S INNOVATION COUNCIL (IIC)

The Ministry of Education, Govt. of India focuses on **establishment of Institution's Innovation Councils (IICs)** in Higher Education Institutions (HEIs) to engage, encourage and channelize the creative energy and entrepreneurial potential of Indian youths to build innovations and enterprises. The IIC at ITS has organized activities like Hackathon, B-Plan Competition, Mentoring Sessions by successful Entrepreneurs, Motivational Session, Skill Building Sessions and workshops on Ideation, Innovation, Entrepreneurship Development, etc. The ultimate aim is to connect the innovators/start-up founders with angel investors to provide wings to their dream of being an entrepreneur.

Study ABROAD Tour

"There's no education quite like the lessons of travel." A Study Abroad Tour is an experience where students study abroad as an alternative to traditional classroom-based learning. It is a great and effective way to learn specific subjects beyond textbooks and lectures. Joining a study tour with an expert guide who's very knowledgeable about the place or topic is like having on-hand answers to questions that may not be fully accounted in some books. A study tour helps students appreciate their field of study more and it really helps them better realise the interaction between their chosen fields of study to the rest of the world.

INDUSTRY ACADEMIA COLLABORATION

development of the students in pace with the changing requirements of the industry, |.T.S has collaborated through MOUs/ LOEs in the area of Banking, Finance, Retail, FMCG, Service Sector, Information Technology etc. with many renowned International and National organizations and universities.

Academia and Industry share a symbiotic relationship. Academia produces graduates who are absorbed by Industry. Research work in various universities and institutions are taken up by the industry and turned into products and services. Industry on the other hand looks to academia for solutions to their concerns. It often approaches academia to tailor their courses to turn out graduates whose skill-set is perfectly aligned with the dynamic industry requirements. Often new research topics arise out of interaction between the duos which benefit both academia and industry. With an objective for the all-round

In the era of globalization and liberalization, collaboration between Indian and Foreign educational institutions is gaining the momentum. The largest aspiring youth population of our country have to be provided with the cutting edge management and technical skills to compete effectively and efficiently in global scale. In this quest for achieving World Class University Standards, I.T.S has signed MoU's with Foreign Universities for exchange of students and faculties, conduct joint research and publication, seminars, conferences, workshops etc. Such collaborations with foreign universities help our students to study, work and travel in international capacity.

Signs the MOU with Sky Aviation Academy, South Africa
for Academic, Research and Faculty/Student Exchange Programme

Signs the MOU with Dr. Souha Akiki Svahn, President & Founder, Paris Graduate School – Innovative Knowledge Institute Paris, France.

Signs the MoU with Wsg University, Bydgoszcz, Poland

SPORTS @ I.T.S

Sports and games are not mere physical activities alone. They play a more significant role in making students confident, adaptable, alert, and happy. With the same ideology, I.T.S emphasizes on sports and encourages its students to participate in various tournaments. Students not only stay fit and healthy by actively participating in sports, but they also learn effective ways to handle pressure in times of crisis. Students at I.T.S, are provided both supervised and unsupervised game sessions for creating a natural inclination towards sports while supervised events helps us identify the right talent and groom them accordingly. Professional & specialized sports training is imparted to students of I.T.S – UG Campus in **Athletics, Basketball, Badminton, Cricket, Tennis, Table Tennis, Football, Volley Ball & many more.**

LEADING PLACEMENTS

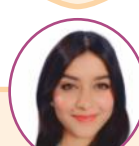

I.T.S - UG Campus has an active Placement Cell that not only trains the students in various curricular and extra-curricular activities but also imparts industrial and market exposure & nurtures social responsibility. They provide various platforms to the students to generate opportunities, to build their personality and to withstand in this competitive world. This cell also focuses on developing the communication skills, aptitude, computational skills and domain specific knowledge of the students. Various comprehensive training programs are conducted to make students ready for interview and final placement even before they get their degree.

ADMISSION PROCEDURE

To encourage academic performance and to reward excellence in academics, I.T.S has instituted a system of awarding scholarship to deserving and meritorious students. Scholarships are to be awarded to students at the time of admission. These scholarships, in the form of discount in fees are offered to students who have secured a certain percentage in class XII (percentage of all five subjects, excluding any additional subjects).

THE DETAILS ARE ENUMERATED AS BELOW

- Toppers' Scholarship Scheme
- Merit Scholarship Scheme
- Siblings' Scholarship Scheme

- Scholarship under Sports Category
- Scholarship for Jammu & Kashmir and North East Region
- Scholarship under Defence Category

SELECTION PROCEDURE

The courses are affiliated with C.C.S University (Meerut). It is a Public State University which was established in 1965 and one of the oldest and most renowned universities of Uttar Pradesh. Admission to BBA/BCA courses are offered as per norms and procedure laid down by C.C.S University, Meerut.

DOCUMENTS REQUIRED AT THE TIME OF ADMISSION

- Transfer certificate from school last attended
- Photocopy of X and XII mark sheet (with originals)
- Character certificate from school (original)
- Photocopy of X and XII passing certificate (with originals)
- Migration certificate (photocopy and original)
- 9-passport size photographs
- Photocopy of Aadhar Card
- Photocopy of domicile certificate
- Photocopy of caste certificate (if applicable)
- Photocopy of 12th Class Admit Card

ELIGIBILITY

Prospective candidates seeking admission to the undergraduate programmes of the institute should have cleared 10+2 level examinations or any other equivalent examination of CBSE or ICSE or any other recognised board as per C.C.S University eligibility norms.

SEATS AVAILABLE

Total intake for each program:
BBA- 480 BCA - 360

As per the directions of Honourable Supreme Court any form of ragging is a cognizable offence.
Ragging is strictly prohibited in the campus.
Anyone indulging in ragging shall be punished. Institute has a "Zero Tolerance Policy" in this respect.
* Subject to revision as per CCS University guidelines
